

## Welcome to the website of Calder Valley Steiner Education!

We hope you enjoy using our site, where you can find information about our kindergarten, parent and child groups, and forthcoming events. Steiner Education is informed by a deep understanding of child development. Our curriculum is driven by this knowledge, allowing each child to unfold at their own pace. We create a space which encourages their social, emotional and physical development while at the same time laying the foundation for subsequent formal education.

Currently Calder Valley Steiner Education consists of:

Parent and child groups for children birth to three. These groups run both in Hebden Bridge and Cragg Vale. For further information on these groups go to the 'Parent & Child link' or ring Sally on 07904052816.

A Kindergarten for children three to six. The kindergarten is run from our site in Cragg Vale, five days a week. For further information go to the 'Kindergarten' link or ring Ingrid on 01422 884089.
